Cool salty breezes, sand between your toes, bikes at the ready. As vacations go, Cape Cod is about as laid-back as it gets. But sun and sand aren't the only rewards for enduring bridge traffic. To help you plan the perfect getaway, we've culled the finest lodging, dining, and fun this area has to offer. So take a deep breath and read on: You're almost there.

GOLF COURSE

OCEAN EDGE BREWSTER

⚡ Although many of the Cape's noteworthy courses - Eastward Ho, Wianno, New Seabury, Hyannisport, and Woods Hole, to name a few - are not open to the public, there are great public courses for weekend visitors to enjoy. If you simply want majestic views, check out Highland Links in North Truro or the Brookside Club in Bourne. But serious golfers will love the new, Jack Nicklaus-designed course at Ocean Edge Resort in Brewster. It is formidable terrain, from the undulating hills and deceptive doglegs to the unforgiving deep bunkers. Bring plenty of balls. | 2907 MAIN ST., BREWSTER 508-896-9000, OCEANEDGE.COM.
