Dear Michael,

On behalf of The PGA of America, I congratulate you and your facility for being named to the list of Play Golf America's Top 100 Performers in 2010. Based on the results you shared for one of our various Play Golf America programs, you earned a spot on this very distinguished list.

This is the first time we have identified Play Golf America's Top 100 Performers, which provides The PGA with the opportunity to recognize PGA and LPGA Professionals for your extraordinary efforts in using these programs to generate business. You truly are an asset to your facility, and you have set an excellent example for your fellow professionals.

Enclosed is a "Play Golf America Top Performer in 2010" briefcase and certificate to display at your facility. By utilizing Play Golf America-branded programs and sharing results, you have established yourself as a proven leader in growing the game and generating more business.

Congratulations on achieving this honor.

Sincerely,

Allen Wronowski, PGA
President
