Ocean Edge Resort & Golf Club Gears Up For Summer

*Cape Cod's Leading Family Resort Introduces a Custom Bike Fleet
as National Bike Month Kicks Off in May*

BREWSTER, MA (May 8, 2014) – [Ocean Edge Resort & Golf Club](#) welcomes National Bike Month (May) and the start of an active summer on Cape Cod with the debut of brand-new, custom-designed bicycles and signature itineraries to tackle the legendary 26-mile Cape Cod Bike & Rail Trail, as well as a host of new-for-2014, family-friendly activities.

Ushering in an all-American season on the Cape, Ocean Edge's 50-bike fleet was assembled in the USA and are easy-to-use, sleek three-speed bikes, some with charming baskets, in the resort's signature light-blue color. These bikes are perfect for family cruises on The Cape Cod Bike & Rail Trail, a haven for cyclists, joggers, and walkers. The Cape Cod Bike & Rail Trail is accessible from The Villages at Ocean Edge, the only resort on the Cape with direct access to the 26-mile path.

The Cape Cod Bike & Rail Trail provides a scenic journey that begins in Dennis, MA and winds to the town of Wellfleet, passing through woods, cranberry bogs, and ice cream shops along the way. With each rental, Ocean Edge provides four exclusive itineraries for suggested outings: a scenic ride through Nickerson State Park to Orleans, a route alongside the quaint shops of Brewster, a more-serious pedal to the Wellfleet Beachcomber, and a challenging trip all the way to the tip of the Cape in Provincetown, MA. For Mansion-side guests biking to Wellfleet for the day on a Tuesday, Ocean Edge offers "Beachcomber Tuesdays," and will pick up guests and their bikes in the evening at The Beachcomber!

"With our ideal location on The Cape Cod Bike & Rail Trail, accessible to all ages and skill levels, it was only fitting that we elevate our bike program, a trend we have even seen urban hotels doing in recent years as well," said General Manager Robert Newman.

Bike rentals are available to both Ocean Edge's Mansion and Villages guests at the Bay Pines Tennis Shop (Mansion side) and the Britterige "Bike" Village (Villages side) starting Friday, May 23, 2014 and continuing through the prime Autumn biking season in New England. The unisex bikes and helmets are for all ages and rentals are offered as: Half-Day Adult (\$22), Full-Day Adult (\$30), Half-Day Children's (\$18), Full-Day Children's (\$25), and bike attachments and baby buggies for infants and toddlers start at \$15.

After conquering the trail, guests can settle on the dramatic sprawling lawn in front of the historic Nickerson Mansion for a cinematic night under the stars with "Movies by Moonlight," brand new for Summer 2014 and starting on Sunday, May 25. Reminiscent of a drive-in movie (sans cars)

and complimentary for all resort guests, moviegoers can relax on a beach chair and enjoy a lawn-side full bar, with pre-ordered picnic baskets available through room service. “Movies by Moonlight” will include throwback Americana with classic movies such as *The Sound of Music*, *Mary Poppins*, and *Citizen Kane*.

Following the completion of a \$40-million renovation last year and AAA Four Diamond recognition of the Mansion at Ocean Edge, Ocean Edge continues to introduce premium guest experiences this season. Active vacation offerings for families in addition to its new bike fleet, include: Cape Cod’s only Nicklaus Design 18-hole golf course, two USPTA-certified tennis complexes with five har-tru clay courts and four plexi-pave courts, Ocean Edge Venture Day Camp, a Member’s Sports Club fitness center, Mudflat Exploration Tours with The Cape Cod Museum of Natural History on Ocean Edge’s private tidal beach, three outdoor and two indoor pools, standup paddle-boarding, and Ocean Edge’s iconic family s’mores beach bonfires.
